

# Chairman's Letter

I hope this letter finds you well and enjoying the summer. I'm writing to you as a fellow Member of the Insurance Trust for Delta Retirees, with exciting news about an enhancement to help you get the most out of your Trust Plan benefits.

## **NEW! Single Sign-On (SSO)**

**How many online accounts do you have? If you're like most people, your answer is probably TOO MANY!**

Remembering all the usernames and passwords is challenging, especially when you are trying to protect confidentiality.

**You now have access to single sign-on (SSO)**, giving you easy, convenient and secure access to all your Trust insurance benefit plans with a single username and password! Your identity authentication will allow you to open the other Member portals that you have registered for, such as Anthem, Express Scripts and Delta Dental, with a single click!

### **How to use it:**

1. Go to [itdr.com](http://itdr.com)
2. Click on **"My Account"** in the upper right-hand corner of the home page, and log in.
3. Select the **"Services"** tab in the navigation bar.
4. Choose **"Access Your Insurance Provider Accounts"**

Our Trust Board of seven dedicated Delta retiree volunteers is always pushing for new tools to make things easier for Members. Try SSO and let us know what you think!

## **Tell a Delta Family Friend!**

**You can help grow our Delta family!** ITDR's eligibility has expanded, making our exclusive Plan options available to all age 65+ former Delta employees – regardless of length of service – and their spouses, survivors, and former spouses. *Help us spread the word, as annual enrollment approaches!*

## **We Want to Hear from You**

We love to get feedback about your experience with ITDR, so we have added [a new form on ITDR.com](#) that makes it fast and easy for you to share your thoughts. Your feedback will be posted on our website and it may be chosen to be used in our social media advertising!

Thank you for being a Trust Plan Member.

Sincerely,

**Ted Towne, Chairman**  
*TechOps, Retired 2005*
