

Anthem's prescription drug plan (Medicare Part D) and Select Generic drugs

Save money and manage your health with our Select Generic program

Your Anthem prescription drug plan (Medicare Part D) includes the Select Generics program. If you have high blood pressure, heart disease, cholesterol, diabetes, or osteoporosis, you can get these proven generics drugs at any retail or home-delivery pharmacy for a low cost.

Review the 2024 Select Generics drug list on page 2 of this flyer to find out if one of your drugs is included in the program. To access the prescription drug plan's complete drug list, also called a formulary, visit www.itdr.com and refer to the *Prescription Drug Coverage page*.

Check your medications online with ease

After your plan effective date, visit www.anthem.com to create an account where you can view medications covered by your plan, check their price, and find out if CarelonRx home delivery (which is optional) is available.
