

The Insurance Trust for Delta Retirees

Core

BCBS + ITDR = Great Travel Benefits!

Like Medicare, the Trust Plan does not cover people living outside the U.S. and its' territories, however the Trust's Medical Plans provide foreign travel emergency care for U.S. residents traveling outside the U.S. for less than six months, as well as Travel Assistance Services.

For urgent or emergency care, the Trust Plans ensure you have access to doctors, hospitals, support tools, and resources around the world through the BCBS Global Core program + ITDR extra benefits!

- ✓ Coverage for urgent and emergency medical, dental and pharmacy needs, lifetime maximum benefit of \$100,000.
- ✓ Travel assistance services 24/7 in case of a medical emergency
- ✓ Medical evacuation and repatriation (including your pet!)
- ✓ All services through a single point of contact

All Trust Plan Members have urgent and emergency coverage abroad through BCBS GLOBAL CORE
