## A Message From Your Board Of Directors

As Board Members of the Insurance Trust for Delta Retirees (ITDR), we are former Delta employees like you. ITDR is a non-profit organization—we work hard to provide the best group benefits and services to meet the diverse needs of our nationwide Delta family. Why do the **more than 26,000 Members** continue to choose ITDR? Because we make Medicare EASY!

### This is not your neighbor's Medicare Plan!

- **You don't have to worry about network restrictions**, finding a new doctor, or the hassle of shopping plans every year.
- You can **change plan options each year with no proof of health required**.
- There is no explaining what state you live in and no trying to sort through lists of plans in your area.

With an ITDR Medicare Advantage or Supplemental Plan, you have options with low or no copays or out-of-pocket costs, including a **\$0 Premium Medicare Advantage and Prescription Drug Plan**. You'll even get travel assistance, including Medevac!

Each of ITDR's five medical and prescription drug plan options, provided by Anthem Blue Cross Blue Shield, include the same rich prescription drug formulary. You simply pick one that fits your needs and have the confidence of knowing you are getting the best, first-class option **for premiums as low as \$0. It really is that good.**

We represent **Delta Family Values — Quality and Service**, and we look forward to continuing to serve you in 2026.

Sincerely,

The Insurance Trust for Delta Retirees  
Board of Directors

# Enrollment

## Who Is Eligible?

Individuals eligible to enroll in ITDR's Medicare plans are age 65 and over:

- Retirees
- Former employees (regardless of length of service)

- Former spouses
- Surviving spouse of an employee

of Delta Air Lines, Inc., including subsidiaries, mergers, and acquisitions.

To take advantage of our Medical Plan offerings, you must reside in the United States or its territories and enroll in Medicare Parts A and B.

Retirees and their spouses do not need to choose the same plan options.

## When Can You Enroll?

### Already 65 And Considering Something New?

If you have never been enrolled in a plan from the Insurance Trust, you may enroll during the Annual Enrollment Period.

### Over 65 And Still Working?

You are eligible when your employment ends. You must enroll no later than the month after your group health coverage ends and within eight months after you leave employment - whichever happens sooner. So get started as soon as you have a retirement date in mind.

### Spouse or Former Spouse Over 65?

Spouses and former spouses age 65+ are eligible to enroll in Insurance Trust Plans regardless of the current or former Delta employee's age or enrollment status.

- Help finding a provider and scheduling appointments

➤ See the [Summary of Benefits for plan benefit details: Supplement-Type Plans, page 32](#); [Medicare Advantage Plans, page 39](#). For important contact information, access our [directory on page 25](#).

# Dental Plans

We frequently hear from our fellow Delta family about the importance of quality dental coverage, especially when they learn that Medicare does not cover most dental care such as cleanings, fillings, or dentures. That's why we offer two dental plan options for our members from Delta Dental, a nationally-recognized insurer.

The Trust's PPO and HMO-type dental plans are insured by Delta Dental.

Features include:

- Both plans are available in all 50 states and U.S. territories including Puerto Rico
- Expanded network access in many areas
- PPO plan allows two oral exams in a calendar year and four cleanings within a 12-month period, at the timing of your choice

## Delta Dental PPO Plan

The Delta Dental PPO gives you supreme flexibility to choose any dentist you want regardless of his or her participation in Delta Dental's network, but using in-network dentists offers the most savings. And, when you use an in-network dentist, procedures like routine teeth cleanings, related exams and x-rays, may be 100% covered.

For more complex services, including fillings, root canals, and restorative services, you'll be responsible for a deductible and a percentage of the cost. For details about the Delta Dental PPO, review the Summary of Benefits on [page 44](#) in this booklet.

## Delta Dental HMO-type Plan

This HMO-type dental plan from Delta Dental provides Insurance Trust members with a highly affordable option that covers nearly all dental services when you use an in-network dentist and pay a predetermined copayment.

The Delta Dental HMO has no yearly maximum benefit, and you don't have to reach a deductible before accessing your benefits. Plus, most preventive services, such as routine teeth cleanings, require no copayment at all.

Out-of-network visits are not covered. When you enroll, you must select and use a primary care dentist from the DeltaCare USA network. Your primary care dentist will refer you to a specialist if any specialty care is required.

➤ For a **Summary and Comparison of benefits**, please see [page 44](#).

# Vision Plan

---

Medicare (and the Medicare plans offered by the Insurance Trust for Delta Retirees) cover medical care for eye diseases, including those that most commonly affect seniors. However, Medicare rarely covers the cost of corrective eyewear or most services provided by an optometrist.

For less than \$7 per month, you can purchase vision insurance provided by EyeMed® through the Insurance Trust and access robust benefits that include annual vision exams, eyeglasses, and contact lenses, often with a copay of only \$10 when you use an in-network provider.

## Flexible Features and Discounts

Please visit [eyemed.com/member](https://eyemed.com/member), sign up as a member, or log in, and navigate to the Special Offers tab to discover quarterly offers designed to help save on out-of-pocket expenses for your vision needs. The Special Offers discounts can be combined with your vision insurance benefit for even greater savings.

You'll also enjoy savings on contact lenses when you purchase from [ContactDirect.com](https://ContactDirect.com).

For a more complete list of covered benefits and copayments, including additional discounts on eyeglass frames, review the Summary of Benefits on page 45.

---

➤ Access Important Contact Information on [page 25](#).

The EyeMed logo is a green circle containing the text "eye Med" in white, with "eye" on the top line and "Med" on the bottom line.

## > Can I elect Medical and Prescription Drug coverage separately?

No. Medical and Prescription drug coverage are included together as a package, unless you are covered by the VA or TRICARE.

If you are currently receiving your prescription benefits through the VA or TRICARE, you may be eligible to waive the Insurance

Trust Plan's Prescription Drug coverage. Please call the ITDR Retiree Service Center at **(877) 325-7265** for details.

## > What plans do you offer?

We offer five Medicare plans from Anthem Blue Cross and Blue Shield. Enrollment in the Trust's Prescription Drug Plan from Anthem is automatic (unless you have VA/TRICARE benefits) when you join a Medicare Plan. In addition, we offer dental and vision.

## > When should I enroll in coverage?

You can enroll as early as three months before the month in which you turn 65. If you already turned 65 and previously selected another Medicare plan, and have never been enrolled in a plan with the Insurance Trust, you may enroll during the Annual Enrollment Period.

If you're eligible for Medicare but continue to work for Delta, you should enroll before your retirement date. You must enroll no later than the month your employer group health coverage ends or within eight months of separating from your employer, whichever is sooner.

## > What if I already have my insurance through the Insurance Trust? Do I need to re-enroll?

If you currently have insurance through the Insurance Trust and you want to keep your current selections, **then you do not need to take any action.** Your benefit choices will roll over to 2026 with 2026 premiums.

## > What if my spouse and I are both Delta retirees?

If you and your spouse are both retirees of Delta, you can enroll in coverage

## Frequently Asked Questions

Please call the ITDR Retiree Service Center **(877) 325-7265** with questions.

separately or as a dependent under your spouse's policy. If you decide to enroll separately, you will each need to complete an online enrollment form. You do not need to elect the same coverages.

### › **What if I am a surviving spouse of a Delta retiree?**

If you are a survivor of a Delta employee and have existing coverage, be sure to enter the Delta PPR number of the deceased Delta retiree. Please note that you will be viewed as a retiree when enrolling or changing coverage from the Insurance Trust.

### › **Is my domestic partner eligible for coverage?**

As the Insurance Trust for Delta Retirees operates as a Voluntary Employees' Beneficiary Association (VEBA) trust, domestic partners are not eligible for coverage. Coverage is limited to eligible spouses.

### › **What can I do with my Health Savings Account (HSA)?**

Health Savings Accounts (HSAs) are accounts for individuals with high-deductible health plans. Funds contributed to an HSA are not taxed, as long as they are used to pay for qualified medical expenses.

When you enroll in Medicare, you can no longer contribute pretax to your HSA. You may withdraw money to pay for ITDR Plan and Medicare premiums, deductibles, copays and coinsurance.

*The Insurance Trust cannot provide tax advice. Members are encouraged to consult their tax advisor.*

### › **What happens after I enroll?**

After you submit your online or printed enrollment form, you will receive a confirmation of coverage. Once verification of your enrollment has been completed, a welcome packet will be mailed to your primary mailing address. You should receive the packet within 10 to 14 business days.

If you are turning 65 and enroll for coverage more than 45 days prior to the month you turn 65, your packet will be mailed out closer to your effective date of coverage.

### › **What if I had insurance from the Insurance Trust, but I dropped my coverage? Can I re-enroll?**

If you have had medical, dental, or vision coverage in the past, and it terminated, you will only be permitted to re-enroll in that coverage plan if you experience special circumstances, such as losing coverage from another group plan, or the termination of another plan you are in.

You may also be eligible to re-enroll if your spouse independently becomes eligible and enrolls.

### › **Are there different rules for spouses or former spouses interested in enrolling?**

Spouses or former spouses age 65+ are eligible to enroll in Medicare and the Insurance Trust Benefit Plans regardless of the Delta employee or retiree's age or enrollment status.

## Frequently Asked Questions

Please call the ITDR Retiree Service Center **(877) 325-7265** with questions.

### › **If I reside or travel outside the United States, am I eligible to participate in the Trust plan?**

Like Medicare, the Trust Plan does not cover people living outside the U.S. and its' territories, however the Trust's Medical Plans provide foreign travel emergency care for U.S. residents traveling outside the U.S. for less than six months, as well as Travel Assistance Services.

### › **If I decide not to enroll in this plan now, may I enroll later?**

Yes, however you can only enroll during Annual Enrollment or if you or your spouse experiences a change causing you to lose other group coverage. You may also be eligible to add coverage outside of Annual Enrollment if you experience a life event.

### › **Can I change my Medical, Dental or Vision Plan elections during the year?**

Medical, dental, or vision plan elections are made on a calendar year basis. You can change your choice of Medical, Dental or Vision plan options during Annual Enrollment. You may be eligible to change your coverage elections if you or your spouse experience a change causing you to gain or lose other group coverage.

### › **Are there penalties for late enrollment?**

The Trust Plan does not impose a penalty for late enrollment. However Medicare will assess a late enrollment penalty

(LEP) if you fail to enroll during your initial Medicare enrollment period and had no other credible coverage. You may incur an increase in premiums. Contact a Personal Health Advocate with questions at **(877) 325-7265, Option 3**.

### › **Will my insurance premiums increase based on my age?**

No, the Insurance Trust plans are group plans designed to keep your overall cost down. Age does not affect the cost you pay for coverage.

### › **Do my insurance premiums include my Medicare Part B premium?**

No, you must still pay your Medicare Part B premium, as determined by Centers for Medicare and Medicaid Services (CMS).

### › **Can I designate an individual, or individuals, the right to access my health information?**

Yes, you may authorize whomever you choose to be your designated individual. Find the phone numbers beginning on [page 24](#) in the Contacts section of this booklet to notify the medical, prescription drug, dental, and vision insurance companies. Due to the legal requirements surrounding confidentiality, each must be handled separately. Contact a Personal Health Advocate with questions or for assistance at **(877) 325-7265, Option 3**.

To search the formulary for a drug, visit [www.anthem.com/itdrrx](http://www.anthem.com/itdrrx). To view the full formulary, visit your Anthem member portal or the Enroll 2026 tab on [itdr.com](http://itdr.com).

- Your healthcare provider may require prior authorization from CarelonRx for certain drugs, when required by plan rules.
- If your medication has restrictions (such as prior authorization, step therapy or quantity limits), Medicare guidelines may allow at least a one-month, temporary supply of that drug, to give you time to speak with CarelonRx and/or your doctor about switching your drug or requesting an exception.
- You must live in the plan’s service area to participate, which includes all 50 states, Washington, D.C., Puerto Rico, the U.S. Virgin Islands, Guam, the Northern Mariana Islands and American Samoa.

## Regarding Your Medicare Advantage Plan

---

**Release of information:** By joining this Medicare Advantage health plan, I acknowledge that the Medicare Advantage health plan will release my information to Medicare and other plans as is necessary for treatment, payment, and healthcare operations.

I understand that the effective date of coverage is when I can begin using the plan services, and the Medicare Advantage plan will send me written notification of the effective date of my enrollment in the plan.

I understand that this Medicare Advantage plan is offered under a contract with the Centers for Medicare & Medicaid Services (CMS) and the CMS review of its benefits. I understand that my coverage will come into effect only if this enrollment is approved by the plan and CMS.

I understand that I need to keep my Medicare Parts A and B. I must maintain my Medicare Part B insurance by continuing to pay the Part B premium, if applicable.

I understand that by enrolling in this Medicare Advantage plan, I will automatically be disenrolled by CMS from any other Medicare

Advantage plan or Medicare Part D prescription drug plan. I can only be in one Medicare Advantage plan at a time. It is my responsibility to inform the plan of any other prescription drug coverage that I have or may obtain in the future.

I understand that when my plan coverage begins, I must receive all my medical benefits from Anthem. Benefits and services authorized by Anthem and contained in my plan Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, neither Medicare nor Anthem will pay for benefits or services.

I understand that people with Medicare are generally not covered under Medicare while out of the country, except for limited coverage near the United States border.

I understand that as a member of this plan, I have the right to ask about the plan's decision regarding payments or coverage for services I receive. I also have the right to appeal plan decisions about payment or services if I disagree.
